- Our CME program promises to provide the latest in medical education as well as information on how to maximize and improve the effectiveness of medical practice.
- Scientific exhibits provide the latest in drug therapy and medical equipment.
- 25 hours (minimum) AOA 1-A CME Credit, that meets with the AOA requirements for membership, the state requirements for licensure renewal, and with most specialty society requirements to maintain specialty certification.
- Of course, fellowship with colleagues and their families is an added feature. Time for relaxing and enjoying family and friends is always considered at GOMA meetings.
- The 2010 - 2012 AOA CME Cycle started 1/01/2010. All DOs must have a minimum of 120 hours of CME, 30 of which must be AOA Category 1-A or 1-B.
